170 Otis St., Born Auditorium

- I. Introductions and Welcome** 2:00-2:05  
Facilitators will provide an overview of the March 19 Town Hall meeting and the community process for the three scheduled workgroup meetings.  
*Explanatory document-Town Hall Minutes*
- II. Medical Services at Shelters** 2:05-2:15  
**A. Department of Public Health**  
Representatives from the Department of Public Health will provide an overview of current medical services for the homeless provided on site in shelters and in the community and discuss strategies of improving healthcare for the homeless.
- III. Community Discussion** 2:15-3:50  
Ali Schlageter from the Local Homeless Coordinating Board will review the medical concerns brought up at the Town Hall meeting on March 19<sup>th</sup> and circulate a questionnaire for individuals to identify the top medical needs in the homeless community. Members of the public will be allotted 3 minutes per person to make suggestions on how to improve medical services for and the medical health of the homeless community.  
*(If a member of the public will require additional time to make their comments heard, Ms. Schlalgeter and Bernice Casey, from the Shelter Monitoring Committee, will make themselves available so that all comments in their complete form can be captured.)*
- IV. Next Steps** 3:50-4:00  
Based on the community discussion, the group will identify the top medical priorities and suggested solutions.
